Date Reviewed:	Date Revised:	Implementation:	CPIC Approved:	Board Approved:
	12/20/13			
Responsible Party: Director of Clinical Quality, Chief Medical Officer				

DEFINITIONS:

N/A

POLICY:

Basic infertility services will be provided by HealthPoint Clinics medical staff when requested by male or female patients.

PROCEDURE:

- A. An initial physical assessment and interview is completed by the provider and documented in the patient's medical record.
- B. Patient education regarding infertility and interventions to correct it will be provided to the patient by the provider/staff and documented in the medical record.
- C. When all physical assessment components, including lab results, are obtained the provider/staff will counsel the patient regarding the next step in the evaluation process and possible resources for these services.
