

## Scope of Services & Sliding Fee Scale

**Sliding Fee Scale:** Based upon Federal Poverty Income Level Guideline (FPIL)

	FPIL	Cost per Medical Visit	Cost per Dental Visit	Medicare Co-insurance
	0-100%	\$25.00	\$40.00	100% Discount
	101-150%	\$30.00	50% of charges	100% Discount
	151-185%	\$35.00	65% of charges	50% Discount
	186-200%	\$40.00	75% of charges	50% Discount

**Medical Visit:** Includes the examination by a medical provider, limited general health screening lab tests, and in-house lab tests.

**Extended Services:** Medical procedures and lab tests requiring payment in addition to the visit co-pay. See Prompt Pay Incentive below. Additional information is available at the check-in window.

**Prompt pay Incentive:** A prompt pay incentive of a 40% reduction from the full price is available when services provided are paid in full at the time of the appointment.

**Prenatal/Obstetric Services (available at some locations):** Insurance, Medicaid, and CHIP Perinatal are accepted. Patients without insurance can take advantage of our prompt-pay incentive.

**Pharmacy/Prescriptions:** Located in the Bryan clinic. Prescriptions are provided at cost plus a dispensing fee. The pharmacy accepts Medicaid and CHIP.

**Immunizations:** Vaccines are provided at cost. Children may qualify for free vaccines.

**Behavioral Health Services:** A referral from your primary care provider is required. The Sliding Fee cost for mental health services is the same as a Medical Visit.

**Medication Assistance Program (MAP):** \$10.00/pharmaceutical company application. The MAP program provides assistance in obtaining free medication for low-income patients. *Not all medications are available.* The MAP caseworker will provide additional information. A referral from your primary care provider is required.

**Transportation Assistance:** Where available, we can help you access transportation services in your community in order to help you get to your medical appointments.

**Referral Services:** We offer assistance with making appointments for your referrals.

**After-Hour / Weekend Services:** Call the main number of your local HealthPoint for the on-call doctor or nurse. The HealthPoint Memorial clinic offers sick visit appointments for patients on Monday, Tuesday, Thursday and Friday from 9:00 a.m. to 7:00 p.m. Saturday hours are from 9:00 a.m. to 2:00 p.m.

**Services NOT PROVIDED:**

- In-Patient (Hospital) care
- Financial Support for Referrals to Medical Specialists
- Any service or procedure not specifically outlined within the Scope of Service listed above

It is our desire to serve as the medical home for you and your family. All services may not be available at every center. The Scope of Services and the Sliding Fee Scale are subject to change.
