Dear \_\_\_\_\_,

Although we are concerned about your health, this letter is written to notify you that your status as a patient of \_\_\_\_\_, \_\_\_\_\_, and its affiliated HealthPOiNT Clinics, is at risk of being terminated. Our center has a zero-tolerance policy on abuse, harassment, or violence of any kind: “A person who causes or threatens to cause abuse, harassment or violence of any kind is subject to immediate termination as a client of the Center and/or removal from the Center premises.” You have violated the Center Rules by the behavior you reportedly exhibited on \_\_\_\_\_.

Your violation of the Center Rules jeopardizes the trust between us which is the cornerstone of a good patient-provider relationship. Accordingly, we are sending this warning letter that failure to comply with our zero-tolerance policy on abuse, harassment, or violence at all future interactions with and visits to the health center or any of its affiliated HealthPOiNT clinics will result in the termination of our relationship and the inability to provide healthcare services to you.

Should you have any questions concerning the contents of this letter, please contact us as soon as possible.

Sincerely yours,

Adil Nicolwala, MD  
Chief Medical Officer  
HealthPOiNT/BVCAA, Inc.
