

Obj 304D—Patient Reminders:

1. Send a letter using a template marked "Preventive Care", "Follow-Ups", or "Health Maintenance".
2. Send an eMsg and select "Preventive/ Follow-up care message" (shown from the Patient Hub and from the Registry).
(For Stage 1, only patients 5 and younger & 65 and older will be counted)

1

The Registry interface shows a patient record with various tabs: Immunization, Encounters, Structured Data, Saved Reports, Referrals, Reports, Demographics, Vitals, Labs / DI, ICD, CPT, and Rx. The Letter Templates dialog box is open, displaying a list of templates with their descriptions and category names. A box highlights the 'Preventive Care' category.
